

MORTAR FLOORS

These cleaning recommendations were drawn up in collaboration with Diversey.

	Arturo mortar floors	Product	Frequency			Equipment/materials required
			Daily	Weekly	Periodic	
Regular care	Treatment	Product				
	Brush manually or using a machine* Remove flecks/spots	TASKI Jontec Tensol conc	●			Brush and linen cloths TASKI duo mop system or TASKI Floormaster and green jumbo pad
	Use a scrubber drier or mop twice*	TASKI Jontec Tensol conc	●	●		TASKI Swingo scrubber drier TASKI duo mop system
Periodic care	Thorough cleaning	TASKI Uniforte plus			●	TASKI Swingo scrubber drier** or TASKI Ergodisc DUO single disc machine with blue floor pad.

* Using the scrubber drier is the best solution for large, free surfaces.

** Dampen the floor using the scrubber drier. After leaving for a time, scrub dry the surface.
